Northstar Brings Rosetta Stone into 9th grade Spanish ClassRosetta Stone has proven to be an effective way for millions of people around the world to learn new languages. The most widely used language-learning software in the world, Rosetta Stone has been adopted successfully by tens of thousands of schools and universities, corporations, government agencies and community organizations. Rosetta Stone is selected over other language learning tools because it is easy to use and because it works! ([www.rosettastone.com](http://www.rosettastone.com))Watch for future Articles about this.
