The ACHS Volunteers at the Boys and Girls Club

On Wednesday, November 18 at 3:00 14 ACHS members went to the Boys and Girls Club on Genesee Street to engage in the after school program which consists of AR reading, athletics, games and homework. This was the first trip this year of many more to follow. BGC had a record breaking evening of 127 books read with 72 members! There were many games played whether it was basketball, ping pong, air hockey, video games and more. We were even making boondoogle crafts! Everyone had a wonderful time engaging with the members. It's always a blessing to serve the Lord through BGC. Thank you Mr. Scott Grace for driving the bus.
