PARENTAL AGREEMENT: I understand that refunds will not generally be made on registration fees unless the school formally rejects the student at a later time by not being able to place the student educationally or emotionally in their program. If for some reason I must withdraw my student during the year, the tuition would be pro-rated for the time the student was enrolled. I agree to cooperate in paying regular tuition payments, to furnish basic instructional materials and to cooperate fully with the school regarding my child's educational program. In addition, I understand the school reserves the right to dismiss any student who does not respect its spiritual standards or who does not cooperate in the educational process. I will do everything possible to insure my youngster behaves appropriately while in school. I realize that should my child continually not behave or work to his ability he/she may be asked to leave Northstar.
